Social Media

Social Media Setup. Creation/development of social media visuals to match developed company imagery for brand consistency includes Facebook/Instagram, Twitter, LinkedIn, and YouTube. **\$360.00** initial set up. *Google My Business, Yelp! and others are additional.*

Social Media Posting/Monitoring. to/of Facebook/Instagram, Twitter, and LinkedIn which includes responding to comments and inviting fans to like and follow pages. starts at **\$576/mo***. *YouTube, Google My Business, Yelp! and others are additional.*

Posting frequency is ideally scheduled for approximately 2 to 3 times per week.

We refine/optimize content provided by client and is scheduled for at least 2 weeks in advance.

Rushed posts will be additional/billable time. Content copywriting is available at additional cost - see on-demand below.

**Price is inclusive of digital static layouts (animation/video is additional)*

Holiday posts are NOT included - because this may be a touchy topic for some, depending upon industry, you must request any specific holiday(s) that you want highlighted as part of specific weekly postings ahead of time.

On-Demand Social

Creative graphics and/or posting - \$72/hr (*invoiced in quarter hour increments after first half-hour*)

Content/stories copywriting - starting at \$108/hr (*minimum obligation, flat-rate/agreements available*)

Additional Lead Generating Options. There are several ways to generate leads via the internet and social media. No one solution works for everyone via any specific outlet/platform, but all are for the purpose of increasing brand recognition. Here are a few suggestions...

Cross links/advertising with other business and industry online outlets - *free and/or paid options.*

Google ReMarketing: a basic info/worded banner ad which follows users across most social platforms and various websites - starts at \$360/mo and requires a 3 month minimum commitment.

Facebook Post Boosting: starting from \$1/day and can be directed toward followers, followers and friends, or targeting groups. *Minimum spend may be required.*

Twitter Promote Mode: automatically promotes tweets at random intervals - starts at \$100/mo.

Google Search Advertising (PPC/SEM): also known as pay-per-click, utilizes ads with more focused audience targeting via search feeds. - *If interested, contact us for a customized estimate.*

Surveys/Promos/Events: targeted "opt-in" and social lead generating option via your website, social, or email - *see Landing Pages, On-Demand Social and Email available options.*

Digital Marketing

Email (Eblast) Marketing. Creatively designed and laid out HTML email newsletters with your provided relevant content, tips, etc. delivered to an existing customer email list and/or newly obtained (opt-in only email lists, usually collected from landing pages, social media, and website registrations).

E-newsletter/blast initial layout, including header/footer creation - **\$288.00**/set up fee

\$360/mo send once per week*

\$180/mo send once per month*

\$234/each send on-demand (*no commitment*)

**minimum 3 month commitment*

Above options are for sending up to 1500 email addresses - add \$18/per 500 additional addresses.

Email newsletter consists of up to 350 words and 5 images (*provided by client - excess content is additional*)

A basic report will be provided at completion of a campaign to include opens and click throughs, etc.

Optional: Content/Stories Copywriting - see On-Demand Social pricing

Google Re-Marketing/Search Advertising Services

Re-marketing banner ads starting at **\$360.00/mo** (*dependent upon traffic*) with **\$180.00**/set up fee.

Search campaigns (PPC) - are "ads" displayed above/below the search results first page - custom estimated.

Accounts with a Google Grant - PPC management **\$126**/mo.

Online/Digital Ad Layouts. Whether you cross advertise with other websites, or place managed ads throughout social media, these meet most applications for desktop and mobile.

Note that you can set up ad/boost budgets as low as \$1/day via Facebook/Instagram which may be helpful to draw targeted traffic to your page(s) or website.

Regardless of who provides the ad placements, we can create customized layouts for your business. Some of the most common ads are provided as static JPGs or minimally animated GIFs for the following industry standard ad sizes: 728x90, 160x600, 300x250, 300x100, etc.

\$63.00 static JPG

\$156.00 animated GIF (*up to 5 frames*)

\$72/hr* video editing (client supplied media, text/graphic overlays, splicing, audio, etc)

(royalty free content/video clips are available, but may be additional cost) Pricing is per layout.

**invoiced in quarter hour increments after first half-hour*

Need a different sized ad or specification? *Contact us for a no-obligation estimate.*
